LYNX  
(PET RANGE)

## Tired of an ugly litterbox that's an eyesore in your home?

Developed by an industrial designer in collaboration with an animal behaviourist, the Lynx table is both stylish and versatile while providing the optimal space for your cat's needs, and is suitable for any interior design scheme.

Proudly South African and hand-crafted using a combination of oak and ply timbers, the Lynx side table delivers a contemporary design with a hint of an industrial look and feel. Sealed both inside and out with non-toxic matt sealant, ensuring it remains fragrance free and safe for animals.

Includes seagrass mat for the entry area for that tactile clawing and works as a dirt trapper preventing litter from spreading throughout your home.

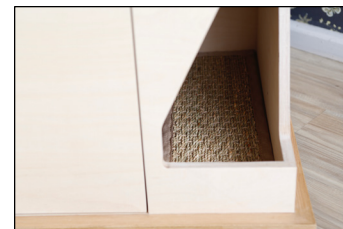

The Lynx will accommodate your existing medium/large litter tray – Inside main compartment dimensions:  
W560 x D420mm (LITTER TRAY NOT INCLUDED).

Alternatively, put your fur baby's favourite cushion or blankie inside providing them with the ultimate chill zone.

The front access door makes for easy maintenance and cleaning.
